An invitation to

Open Session Watercolor Thursdays Thursdays from 1:30 to 3:30 p.m. at the Downtown Art Center

What is an open art session?

- It's a self-directed time and space open to art makers to do their art.
- Bring your own art supplies and art projects. Medium or small-sized watercolor, acrylic or mixed media projects are perfect. (No standing easels.)
- Be inspired by art! There's inspiration and enjoyment painting in our lovely, spacious, and light-filled downtown art gallery.
- No instructor, lessons, or personal tutoring but you enjoy and benefit from the company, works, and talents of other art makers.

The Downtown Art Gallery is a non-profit art center dedicated to featuring works of local artists and to inspiring more art in the community with a place that art makers can come. We ask for a \$10 donation each session, which will help pay for operating costs to keep the Center open. We appreciate the volunteer help of professional artist Jimmy Tablante who is donating his time as a community service so the Center can be open to all on Watercolor Thursdays.

The DAC is a project of the Creative Arts Experience, a 501c3 nonprofit. DAC is a venue for the visual arts presenting exhibitions, workshops, classes and related events. for more information call 808 521-1812 or email creativeartshi8@gmail.com
