start with a dot... make your art

Join our creative community, we are creating community murals and an exhibit for Honolulu's International Dot Day celebration, for all ages, September 15th-ish, 2020

With all that is going on and the uncertainty of our world--now is the time to make art for art's sake and to be part of something more than ourselves!

- Start with a 3-inch circle on cardstock paper.
- On side one create an intricate, crazy or awe-inspiring or simple-- infinite possibilities
- On side two, respond to the question, "How would you offer kindness?"
write a simple positive and encouraging message for yourself or someone else

Have FUN. Cut loose and unleash your inner creativity with as much passion as you can muster! Give yourself permission to go forward with abandon. Be amazed at what you have created. Create and BE Healthy.

A line is a dot
that went for a walk.
